The Maple Grove Indoor Farmers Market is a market in which farmers, growers and producers sell their products directly to the public. This market allows consumers to have a direct relationship with the producer/vendor. The market emphasizes quality and freshness and strives to provide customers with a unique shopping experience.

The rules, policies, and guidelines followed at the Maple Grove Farmers Market are administered and revised by the Market Staff with approval of the Superintendent of Recreation.

- All vendors should carry their own general liability and product liability insurance, as the City does not provide this coverage.

Sampling

Vendors who wish to provide samples of their products to customers are encouraged to do so and required to follow the State of Minnesota's Safe Food Sampling legislation, which is specific to farmers markets. Information about the law and the procedures that must be followed to ensure safe sampling can be found here: <http://www.mfma.org/files/632.pdf>.

Vendors must bring their own utensils for any sampling (i.e., gloves, spoons, cups, napkins, etc.) as well as conduct any sampling. Vendors are strongly encouraged to take any steps possible to help reduce waste at the Market.

Vendors must provide or have immediate access to a portable handwashing station to ensure proper sanitation. The Maple Grove Farmers Market does not supply handwashing stations to vendors. Though restrooms are available inside the Community Center, these do NOT meet the law's requirement for immediate access to handwashing facilities.

Vendors should be aware that Hennepin County officials visit the farmers market without advanced notice throughout the season to assess sampling procedures, and Market staff monitors vendors continually for compliance with sampling guidelines.

Maple Grove Farmers Market Tokens

Market tokens are sold to customers at the Market Cashier table. The purpose of the tokens is to increase vendor sales by offering an alternate (and convenient) means of payment to our shoppers. Shoppers purchase tokens with their credit/debit/EBT card from the Market Cashier or may receive tokens as a part of the Market's overall promotions strategy.

Vendors should accept ONLY tokens labeled "Maple Grove Farmers Market," pictured below.

ALL VENDORS MUST ACCEPT:

\$5 tokens are just like cash. All vendors must accept. Change can be given; no expiration.

\$2 tokens are promotional rewards earned by market customers and should be treated like cash. All vendors must accept these tokens. Change can be given; no expiration.

SOME VENDORS MAY ACCEPT:

\$2 Power of Produce tokens (larger than others) were awarded to children during the 2020 outdoor season. Vendors may accept ONLY for fresh fruits and vegetables at the indoor market.

\$1 tokens are only for EBT eligible items. Participating vendors do not give change, and there is no expiration. To participate in this program, vendors must have a current signed agreement on file with the Maple Grove Farmers Market. The program is optional.

\$1 Market Bucks are provided to EBT card holders through a grant and may be accepted for EBT-eligible items. Please accept them only if you accept \$1 EBT tokens. Same rules apply. (We have not yet received an image of the 2020 winter Market Buck Coupon)

Only those vendors who have a signed agreement with the Market to participate in the EBT program can accept the \$1 tokens and market bucks AND only for EBT eligible items.

Vendors are reimbursed for MGFM tokens when accepted according to the program guidelines for each token type. Vendors will be notified of any promotional currency that may be in circulation. **Vendors should ask the Market Manager for assistance with any token-related questions.**

Vendors are not permitted to use tokens received from shoppers as currency in making their own purchases. Vendors are not permitted to use tokens as change for shoppers' purchases. Make sure to have enough cash on hand to make change for customer purchases.

All tokens/promotional currency should be turned into the Market cashier (preferably each Market day) for recording and future reimbursement. Tokens can be turned into the Market cashier only once each Market day, between 5:30 and 6:15pm. Tokens must be pre-sorted and counted prior to submitting to the Market cashier. The Market cashier will re-count tokens with vendors upon submission. Vendors will receive a receipt for tokens submitted.

Vendors will be reimbursed via check for tokens they have turned in to the Market Cashier. Reimbursement will take about 7-10 days. Please make sure to notify us of any address changes.

It is a vendor's responsibility to keep their tokens secure, to turn them in regularly and to address any questions with Market staff.
