Overview

The Maple Grove Farmers Market guidelines and rules are intended to ensure:

- The market is a safe and enjoyable place for residents and visitors to gather and purchase locally-grown and -produced items.
- The market and its vendors are in compliance with federal, state, county, and local regulations.
- The market plays a positive role in the community and has a welcoming environment.
- Vendors have a fair, equitable and respectful atmosphere in which to conduct their business.

This document seeks to set forth a basic set of rules and guidelines to provide for the successful operation of the Maple Grove Farmers Market but cannot contemplate every possibility. ***Therefore, the market reserves the right to do whatever may be additionally necessary to protect the intent and well-being of the market; its patrons and vendors; as well as the staff, volunteers, and the City of Maple Grove.***

Application, Fees and Payment Process

- Applicants must complete a vendor application and provide all required forms and licenses prior to being considered for participation in the market.
- Persons who apply to be a vendor must be actively involved and invested in the planting, growing, harvesting, and/or processing of products they wish to sell at the market.
- Only one applicant per household and/or farm, garden or nursery will be allowed. Any household applying under multiple names will not be considered.
- Vendor applications will be reviewed and approved before a vendor can participate in the market. Space at the market and the items a vendor offers are factors in determining approval as well as vendor's history with the market, attendance and past performance, and balance of market offerings.
- Returning vendors should submit payment in full at the time of application (checks preferred or credit card information may be submitted by phone.)
- New vendors must submit a \$25 new vendor fee at the time of application (checks preferred or credit card by phone.) Fee will be returned in the event that the vendor is not accepted to participate in the market. New vendors who are accepted to participate in the market will receive an invoice for their market fee.
- **During the selection of a vendor, the City shall not discriminate on the basis of race, color, creed, religion, ancestry, national origin, sex, sexual orientation, disability, age, marital status, or status with regard to public assistance.**
- Any form of refund would only be through a documented unusual hardship or compassionate reason on approval by City officials in their sole discretion. Any such refund request will be reviewed on a case-by-case basis. A \$25 administrative fee will apply.

In addition, changes in vendor participation may occur at the sole discretion of the market staff and/or City officials based on factors such as customer attendance, market vision or plans.

- Market staff reserves the right to inspect a vendor's greenhouse, garden, farm, field or other place of production to verify that the products being sold meet market qualifications.

Vendor Behavior

- Vendors are expected to attend the market to sell their own products. Additional sellers may be designated to assist at the booth. **Vendors are responsible to educate their assistant and/or substitute sellers of all market rules, procedures, and guidelines.**

- Sexual Harassment by any market vendor or participant is prohibited. Sexual Harassment is any unwelcome advance, sexually suggestive or lewd comment, or physical contact of a sexual nature which creates or has the tendency to create an intimidating, hostile, or offensive environment, whether any such conduct is directed at market staff, vendors, or participants. Market management has the authority to investigate and make final determinations regarding any claims of Sexual Harassment as it may see fit. Market management may take appropriate action, in management's sole discretion, to prevent any reoccurrence of Sexual Harassment, including by removing the perpetrators of Sexual Harassment from the market, prohibiting their re-entry to the market, or contacting appropriate authorities.

If a vendor is experiencing a problem with a fellow vendor or customer, he or she must notify market management. In the event that vendor behavior is offensive or threatening to other members of the market community, management reserves the right to permanently reassign the vendor to a new space or remove the vendor from the market.
- Music, news broadcasts, or other audio may not be played at any booth or in the general market area, except with prior permission from market management. - Products sold as Certified Organic must have originated from a USDA Certified Organic farm, and the vendor must provide a copy of the farm's National Organic Standard certificate as provided by a USDA accredited agent. The market will use the term "Organic" only in reference to USDA-certified Organic farms and products.

Vendors who meet the federal exemption because they follow organic practices and have less than \$5,000 in gross sales of organically grown products should contact the Market Manager. The vendor will be asked to sign a statement indicating that organic practices have been followed.

- Items baked/processed at home must meet the requirements of the Minnesota Cottage Food exemption and must be labeled with date of production, the name, complete home address of the producer, and a list of ingredients. For more information: <https://www.mda.state.mn.us/food-feed/cottage-food-producer-registration>
- Items sold by weight units of measure require a Minnesota State Certified Scale.
- Solicitation unrelated to the sale of market goods is prohibited without City approval.
- Price, terms of sale, etc. are between buyer and seller only.
- All vendors agree to abide by fair business practices.

Market Operations

- Vendors may set up starting at 1:30 p.m. on market days. Vendors must wait until the staff moves the parking barriers to enter the market area. A Market Manager will be available at 1:30 p.m. to check in vendors and assist with any questions. If less time is needed, vendor may arrive as late as 2:30 p.m.
- The market will begin at 3:00 pm when market staff sounds the air horn. No presales of market goods or exchange of money are allowed prior to 3:00 pm (Vendors may discreetly purchase items from fellow vendors prior to 3:00 pm.)
- There will be no moving vehicles in the market area between 2:40 p.m. and 7:05 p.m. If you arrive after 2:40, you must park in an adjacent area and walk your merchandise and supplies (tents, tables, etc.) to and from your stall location.
- Vendors must be ready to start selling at 3:00 p.m. on market days. Vendors are encouraged to be in place ½ hour before the market opens.
- Vendors must remain until the market closes even if sold out. Absolutely no break-down of vendor displays allowed prior to market closing. Feel free to use this time to promote your product and encourage future visits from customers.
- No water is provided or available.

- Restrooms are available inside the Maple Grove Community Center.
- Electricity is available for an additional nominal fee and must be requested on the vendor application. *In most cases, vendors who require electricity are required to use the market's plug-ins.* Generators allowed only in rare cases with the permission of market management. It is the responsibility of the vendor to ensure that their equipment/electrical needs are compatible with the market's electrical poles.

Stalls and Set Up

- Having a stall in one season is no guarantee that a vendor will have the same stall in any subsequent season.
- Stall space is assigned by market staff to allow for the best product mix, traffic flow, electrical needs, etc.
- Every effort is made to keep full-season vendors in the same location throughout the market season. However, vendors may be temporarily or permanently reassigned at the sole discretion of market management.
- Vendors may not transfer, assign, sell, rent or lease their stall. Transfer within a vendor family may be allowed at the discretion of market management only if there is no change in the address where products are grown.
- All items must be contained within a vendor's assigned space. Market staff may ask that unsightly, inappropriate, unauthorized, or unsafe materials be removed or moved.
- Vendors are allowed one vehicle in their assigned space. Vendors with large stalls may be allowed two vehicles with the permission of market management. **If your vehicle does not fit in your stall space, you will be required to purchase additional space.** Oversized or extra vehicles may be parked at the far west end of the market lot or in an adjacent lot.
- Vendors may request one of the following stall options (see application for complete details)
 - ✓ SMALL stall (two parking spaces approx. 18' wide, fits ONE 10' x 10' canopy)
 - ✓ MEDIUM stall (three parking spaces approx. 27' wide, fits TWO 10' x 10' canopies)
 - ✓ LARGE stall (four parking spaces approx. 36' wide, fits THREE 10' x 10' canopies)
- If a vendor sets up in the wrong location, market staff will make the decision on what occurs depending on how many other vendors are present and set-up.
- In certain conditions market staff may require vendors to take down canopies. Broken or compromised canopies are not allowed and vendors will be asked to take them down.
- No stakes may be pounded into the tarmac, parking lot, or grass.

The market site is very windy. Tents and canopies must be weighted. It is REQUIRED that each canopy leg is secured with 20 pounds of weight. It is recommended to additionally tie the frame of your tent/canopy to a vehicle. Vendors will not be allowed to set up or will be asked to take down their canopies if they do not have adequate weights.

Vendors assume full responsibility for any injury, loss, or damage of any kind that may result from improperly or insufficiently securing tents, awnings, display equipment, products, or other items.

Displays

- Vendors are responsible for providing all tables, chairs, canopies, signs, tent weights, cash, and other items needed for their display.
- All vendors must post clear, visible, professional-quality signs with their business name and location. Hand-written signs on paper or cardboard will not be allowed. Failure to do so will result in a \$10 fine, payable immediately each week that a sign is not displayed.
- All food must be stored/displayed 6” off the ground in order to eliminate potential contamination from dirt, ground debris, and other contaminants. Use a pallet or empty crates/containers to raise items off of the ground.
- All items offered for sale should have the type and variety of product and prices prominently and clearly displayed.
- Those selling homemade or home-processed items falling under the Cottage Foods Exemption must display a placard stating: “These products are homemade and NOT subject to state inspection.”
- Vendors are required to maintain a clean and attractive booth display at all times. Tablecloths and informative displays are encouraged.
- Vendors must represent themselves in an appropriate manner, dress, and state of cleanliness. Shirts and shoes must be worn.
- Vendors offering samples must follow all Safe Food Sampling guidelines, including an approved portable handwashing station, no bare-hand contact with foods, and adequate garbage receptacle(s) accessible to customers. (See page 13)
- The general cleanliness of the market area is everyone’s responsibility. All vendors must keep their area neat while selling and make certain that the area is clean before leaving.
- Vendors must remove all trash from the market area after the market closes. This includes product debris, bags and boxes as a result of their sales. Trash cans are provided only for incidental trash.

Sales Reporting

Vendors will be asked to periodically report gross market sales for one market date through an online form emailed to the vendors. These sales reports are used to gauge the volume and financial impact of the market. No records will be kept identifying the sales history of any individual vendor.

Tokens

Tokens are an important part of the market’s promotional strategy. All vendors are required to participate in the token program. See “Tokens Explained” fact sheet, attached to this packet.

Additional Promotional Programs: The Maple Grove Farmers Market reserves the right to participate in other “promotional currency” programs and will provide detailed information to all vendors about the use and redemption of tokens, coupons, or other promotional currency.

Permits, Licenses, Taxes and Insurance

The market may be inspected by local, Hennepin County, or State inspectors on any day without advance notice. Inspectors may have the authority to temporarily close vendor businesses. To avoid disruption and lost income, it is important to seek all appropriate licensing and permits prior to the beginning of the market season. Copies of these licenses must be submitted with vendor application.

All permits and licenses required by the City of Maple Grove, Hennepin County, the State of Minnesota or the Federal Government are the sole responsibility of the vendors. Vendors must work directly with the issuing agency to seek proper licensing.

The table below is intended as a guide for vendors when determining which forms, licenses and permits to submit with vendor application. This guide may not be accurate for every vendor or product. Please confirm your licensing requirements by calling Hennepin County Environmental Health, (612) 543-5200. - The City of Maple Grove **MUST BE LISTED** as an additional insured on your policy for the dates of the Maple Grove Farmers Market and shown on the Certificate of Insurance as such.

Enforcement of Market Rules

Market staff members value our good relationship with vendors and make every effort to educate vendors about the market guidelines before and during the season. Staff reserves the right to suspend or revoke the selling rights of any vendor who repeatedly disregards one or more of the rules as outlined in these guidelines.

If market staff suspends or revokes a vendor's selling rights for any reason, the selling rights of all working at that booth—primary seller and additional sellers, whether it be family, friends, agents, employees, etc.—are likewise suspended or revoked.

The rules, policies, and guidelines are determined, and may be changed, by the market staff with approval of the Maple Grove Parks and Recreation Board. Vendors will be notified of any significant changes and the date they become effective.

No person or entity other than the City of Maple Grove, Maple Grove Farmers Market or agents thereof may make use of the Maple Grove Farmers Market name or logos without the express permission of the City of Maple Grove.

Feedback

The City of Maple Grove encourages feedback about the farmers market. Both positive comments and constructive criticism about all aspects of market management may be sent the following ways:

By phone: 763-494-5824

By email: farmersmarket@maplegrovern.gov

By mail: Maple Grove Farmers Market, 12951 Weaver Lake Road, Maple Grove MN 55369

A vendor may be asked to provide their comments in writing. Market staff will share the information with appropriate City personnel for follow up.

Market Staff Responsibilities

The City of Maple Grove hires staff members to manage and oversee operations of the farmers market.

The Market Manager supervises operations and manages development and promotion of the market. The Assistant Manager (Special Events Assistant) supports all aspects of the market and may be designated the on-site manager.

The Manager/Assistant Manager apply the rules and guidelines of the market and have the authority to interpret and implement policy. The Market Manager/Assistant Manager are the final authority on market day. Market staff members are responsible for public and vendor concerns. Staff members also serve as liaisons between vendors/customers and City staff/officials.

The Market Cashier coordinates sales and reimbursement of all market tokens. The cashier guides token submission and reimbursement procedures and secures the safety of valuable market currencies.

Market staff shall notify vendors of any rule violations.

Market staff has the authority to request any person to leave the market operating area and, if necessary, call the police for assistance.

Vendors are encouraged to approach market staff if they encounter a problem. Any discussion of problems in front of customers or other vendors is strongly discouraged and shall be avoided.

Market staff assigns all stall spaces. All vendors, musicians, entertainers, chefs, sponsors, community organizations, etc. must have the prior approval of the market staff.

Weather Policies

While the market is rain or shine, instances of severe weather can effect market operations. The manager will decide whether to hold the market or delay the opening. *This determination will generally not be made until set-up time, 1:30 pm, on market day. Every effort will be made to provide ample time for vendors and customers to safely respond to hazardous weather conditions.*

The following weather conditions may cause the market to be delayed, suspended, or cancelled: audible thunder and/or visible lightning; thunderstorm or tornado watch/warning; high winds; heavy rains or snow; heat index of 103 to 115 degrees F; other as determined by management.

Delay of Market Opening:

Market staff will notify vendors in person and by email if the opening of the market will be delayed due to weather. Opening will be delayed until 30 minutes after thunder is heard. Vendors should remain in their vehicles during this time or take cover in the Community Center. Vendors may also choose to excuse themselves from the market on that date. Such an absence will be considered "excused."

Suspension of Market:

In the event that market management determines severe weather will be of short duration, the market may be suspended. The market will be suspended until 30 minutes after thunder is heard. In the event of a suspension, market staff will sound an air horn to alert customers to quit shopping and take cover. Staff will quickly notify all vendors and provide instruction. Vendors should:

- Collapse all tents/canopies
- Secure all product by placing it in their vehicles or under tarps that are securely fastened to tables
- Take cover in vehicles or inside the Community Center
- Vendors may choose to excuse themselves from the market instead of waiting out a suspension. Such an absence will be considered "excused."

Cancellation of Market:

If market staff determine that cancellation is necessary, an air horn will be sounded three times to alert customers to quit shopping and leave the market area to take cover. Staff will quickly notify all vendors and provide instruction. Vendors should:

- Collapse all tents/canopies
- Take down and repack all displays
- Take cover in vehicles or inside the Community Center, or leave the market site.

Note: In the event of a tornado warning or sudden hazardous weather event, vendors should pack up money, nothing else, and move to shelter inside the Community Center. Staff inside the community center will direct vendors and customers to safe shelter.

- In the event the market is closed or delayed, vendors are prohibited from setting up stalls or selling any product.
- In the event the market is closed or delayed, vendors who make weekly (non-retail) CSA deliveries will be asked to move to an inconspicuous location in another lot and are prohibited from setting up stalls or selling any product. These vendors will receive guidance directly from the Market Manager.
- It is acceptable for a vendor to call and say they are not comfortable attending because of weather conditions. Also, if a vendor arrives at the market and conditions are not good for their product or set up, they should decide if it is conducive for them to participate and notify staff accordingly.
- Vendors should call the market voicemail (763-494-5955) or market mobile phone (763-442-7441) for updates.

No refunds will be given if the market is cancelled, delayed, or closed early for any reason. It is the vendor's responsibility to keep their contact information up to date in the event the market is cancelled. Staff will make every effort through phone and email to notify vendors of any cancellations or changes.

Sampling

Vendors are strongly encouraged to provide samples of their products. Samples are very appealing to shoppers and offering samples gives vendors a reason to engage shoppers in conversation about the product. *Sampling will increase your sales.*

According to state law, vendors may sample their wares at the farmers market if the following rules are followed. For more information about the state's Safe Food Sampling at Farmers Market law and requirements, visit <https://www.extension.umn.edu/food/food-safety/courses/safe-food-sampling-farmers-markets/>

1. Sampling must occur under a tent or canopy.
2. Store all foods, beverages, ice, utensils, and paper products at least 6 inches above the ground.
3. All samples must be prepared on site at the farmers market. Samples may not be prepared off site.
4. Always keep potentially hazardous foods such as meats, fish, poultry, or salads at 41 degrees F or colder or 140 degrees F or hotter. Use a metal-stem thermometer to monitor product temperatures and use mechanical refrigeration for cold items.
5. Hot items must be discarded after four hours. Cold items must be discarded if they have been displayed outside of mechanical refrigeration for four hours.
6. Samples must be covered in order to prevent contamination.
7. No bare hand contact with foods. Vendors must provide their own gloves, serving papers, toothpicks, or other means to avoid touching food with bare hands.
8. Vendors must provide their own portable handwashing station which contains a minimum of five gallons of warm water. (**Note that water is not available on site and must be brought to the market.**) The handwashing station must have a toggle-type spigot that allows water to run over both hands as they are washed. Vendors must provide their own soap, disposable paper towels, and wastewater catch basin.
9. For sampling utensils, vendors must provide a three-compartment sink or bring extra sanitized utensils in the event that one becomes soiled.
10. Samples must be three ounces or less.
11. Samples must be provided at no cost.

Maple Grove Farmers Market **Token Programs**: Important Information for Vendors 2019 Market

Please review this important information about token and payment programs at the Maple Grove Farmers Market. The Maple Grove Farmers Market offers shoppers the convenience of using their credit, debit and EBT cards to purchase tokens at the Market Information Booth.

Why offer tokens? Shoppers carry little cash. Offering tokens provides a source of currency at the market and allows folks to make larger and/or impulse purchases. It also allows our customers who participate in the Supplemental Nutrition Assistance Program (SNAP) food support dollars at the market. Token sales increase the amount of money in circulation at the market, which means that you can sell more!

Vendors will be reimbursed for Maple Grove-issued tokens by check every two weeks. Other markets issue their own tokens, but we will reimburse only tokens printed with “Maple Grove Farmers Market” as in the examples on the reverse side of this page. The exception to this rule is Market Bucks, which you may redeem at any participating market.

Vendors cannot use tokens as change for a customer’s purchase (you should provide change ONLY in cash) nor should a vendor use tokens to make their own purchases or transfer tokens to another vendor for any reason.

Vendor Reimbursement Procedure (HOW TO TURN TOKENS INTO REAL MONEY!)

1. Accept the various tokens from customers, according to the specific instructions on the back of this page.
 - a. You **MUST** accept \$5 and \$2 tokens.
 - b. If you sell fresh produce, you **MAY** accept the \$2 PoP Club tokens.
 - c. You may accept \$1 EBT tokens and Market Bucks if you sell qualifying products—edible items for home consumption—and have a signed agreement on file with Maple Grove FM.
2. Each vendor will receive a token baggie kit and daily submission form. Tokens must be sorted and pre-counted and the form completed before they will be accepted by the market cashier.
3. At the end of each market day, bring all tokens to the Farmers Market Cashier between 6:30 and 7:15 p.m. (between 5:30 and 6:15pm in October) **Vendors should bring their tokens to the cashier only once each Market day.**
4. Market staff will count each vendor’s tokens in the presence of the vendor. Vendors will receive an itemized receipt for their records.
5. The City of Maple Grove will mail a reimbursement check every two weeks to the address provided by the vendor. You may update your “payable” information or address at any time by contacting market management.

All vendors are REQUIRED to accept \$5 and \$2 tokens. You may make change in cash.

\$5 Tokens are issued when a customer swipes their credit or debit card at the Market Information Booth. *Per your signed vendor application ALL VENDORS agree to accept these tokens*, even if you accept credit/debit cards at your own booth. As noted on the token, you may make change in cash. \$5 tokens do not expire. Vendors will be reimbursed for \$5 tokens.

\$2 Tokens are Maple Grove Farmers Market promotional tokens and are given as customer loyalty rewards. *Per your signed vendor application ALL VENDORS agree to accept these tokens*, even if you accept credit/debit cards at your own booth. As noted on the token, you may make change in cash. \$2 tokens do not expire. Vendors will be reimbursed for \$2 tokens.

Vendors with eligible products may choose to accept \$1 EBT tokens. You must sign an EBT agreement form if you wish to participate in the EBT program. Do not make change in cash.

\$1 Tokens are issued when a customer swipes his or her SNAP/EBT (food support) card. \$1 Tokens may be used to purchase any grocery item that will be prepared at home (fresh or preserved produce, meats, eggs, cheese, breads, sauces, pickles, jams, juices, prepared foods that are packaged to take home, etc.)

\$1 EBT Tokens may **NOT** be used for items that will be consumed on-site at Market (prepared drinks, hot foods, single cookies or snacks, for example.) They may NOT be used for decorative items such as non-edible pumpkins or gourds, decorative corn or non-edible flowering plants. DO NOT use these tokens to make change for transactions or to make your own purchases.

Market Bucks are a special incentive for SNAP/EBT customers. These shoppers will receive a FREE match of up to \$10 when they use their EBT card at market. As in the past, Market Bucks Coupons are worth \$1 in EBT-eligible products. They follow all the same rules as the \$1 tokens and you will be reimbursed for them. Unlike tokens, they have an expiration date.

Vendors who sell fresh produce or food-bearing plants may accept \$2 Power of Produce Club tokens.

Power of Produce (PoP) tokens are issued to children during the outdoor market season. They should be accepted **ONLY** for fresh vegetables or fruits or food-bearing plants. PoP tokens are larger than other tokens and state “produce only.” As the token states, you may make change—but we prefer that you sell young customers the full \$2 in produce.
